

CUSTOM MILLWORK

TK Custom Millwork

TK Custom Millwork is proudly owned and operated by our owner, Colin Keith. Colin is a trained architect specializing in custom carpentry, furniture, architectural millwork, and cabinetry for both residential and commercial projects across the United States.

We customize each project with a focus on precision while elevating the quality of craftsmanship.

Our Mission

Our mission at TK Custom Millwork is to create timeless custom millwork through exceptional craftsmanship, architectural precision, and an unwavering commitment to quality—delivering beautiful, lasting work that exceeds expectations on every project.
